Quality

Must suck
to be stuck
there

Reminds me of the
recent-but-already
old global event that
even joking about got
kinda stale already

Oh well, think
it was long
enough

10 years
is more
than Mark
Wahlberg
ever got

RING

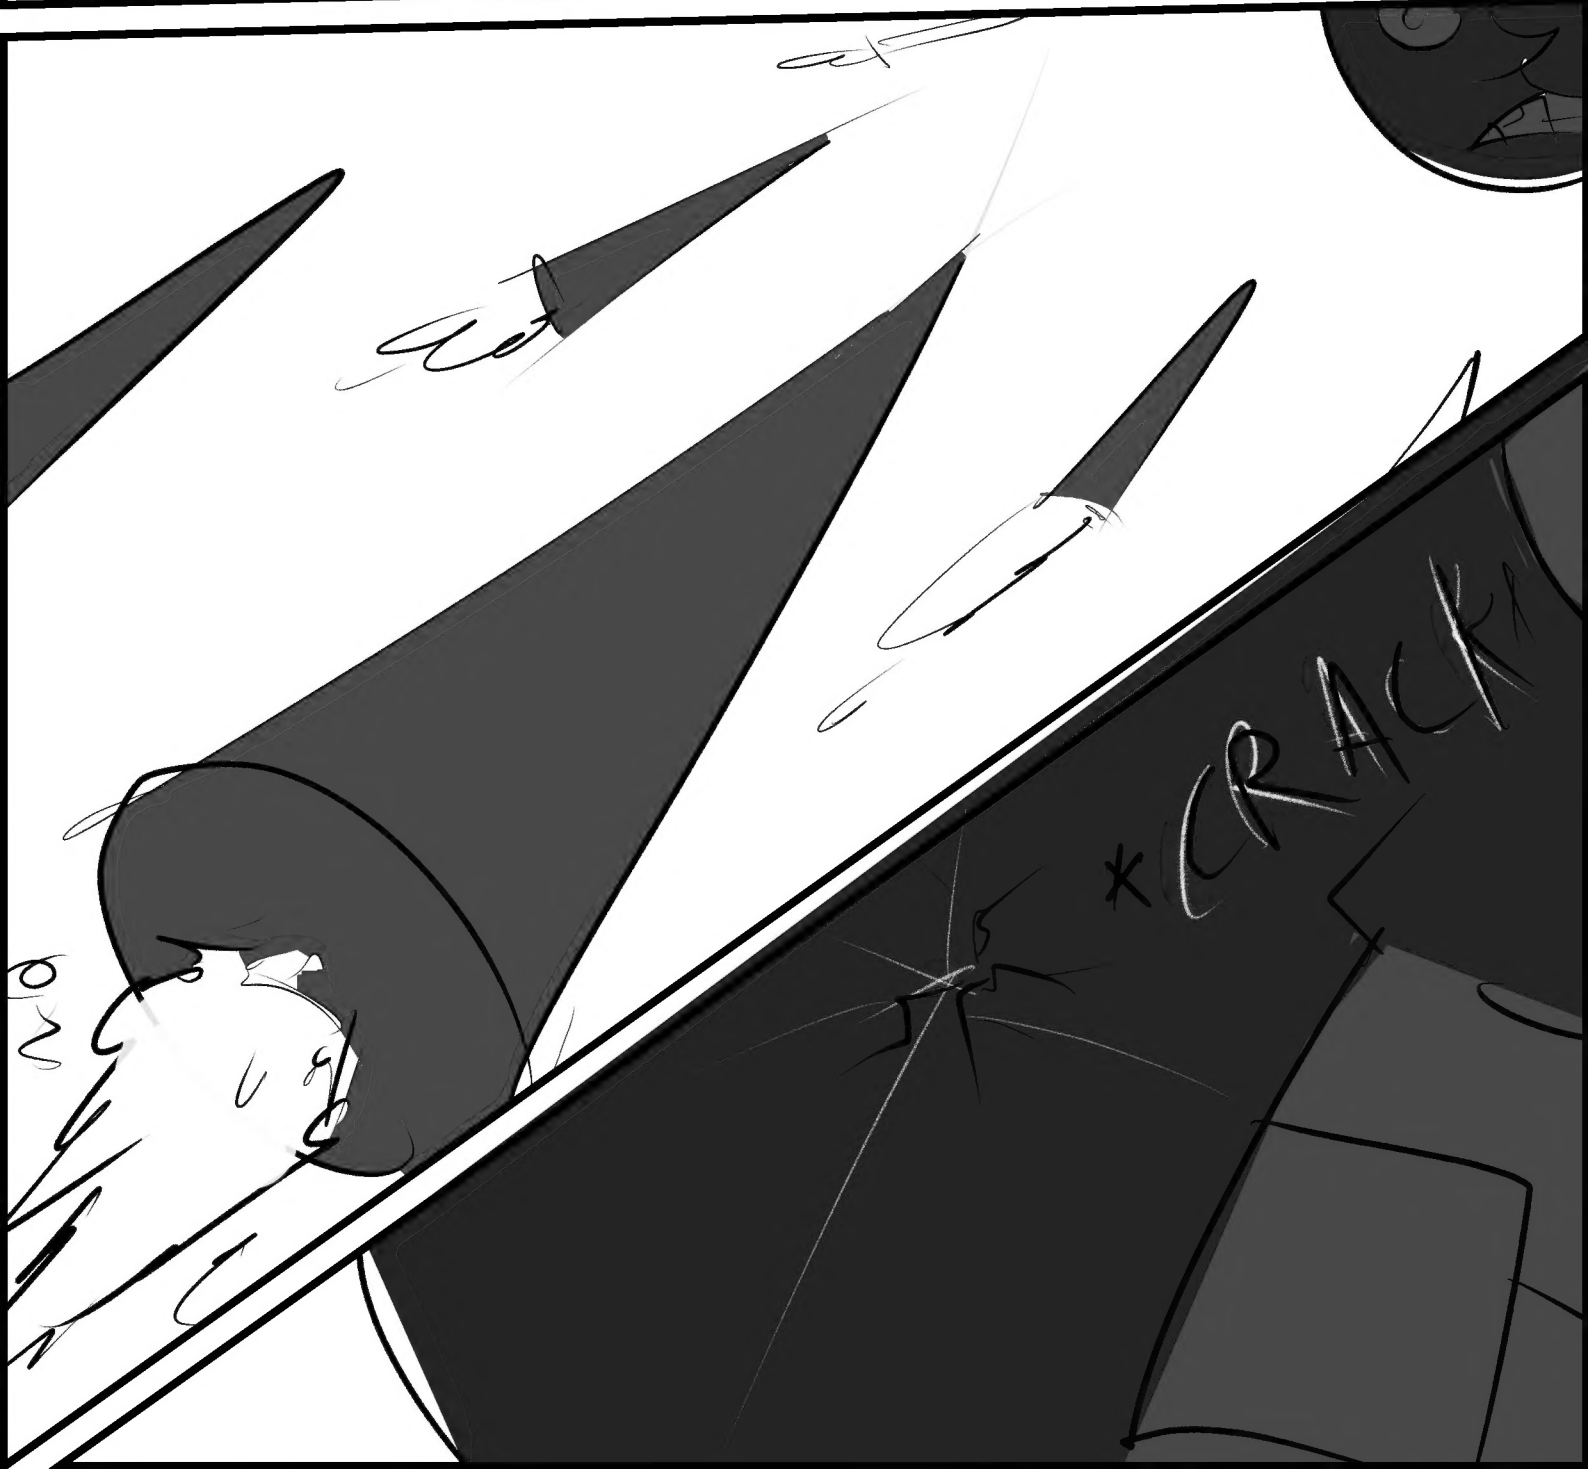

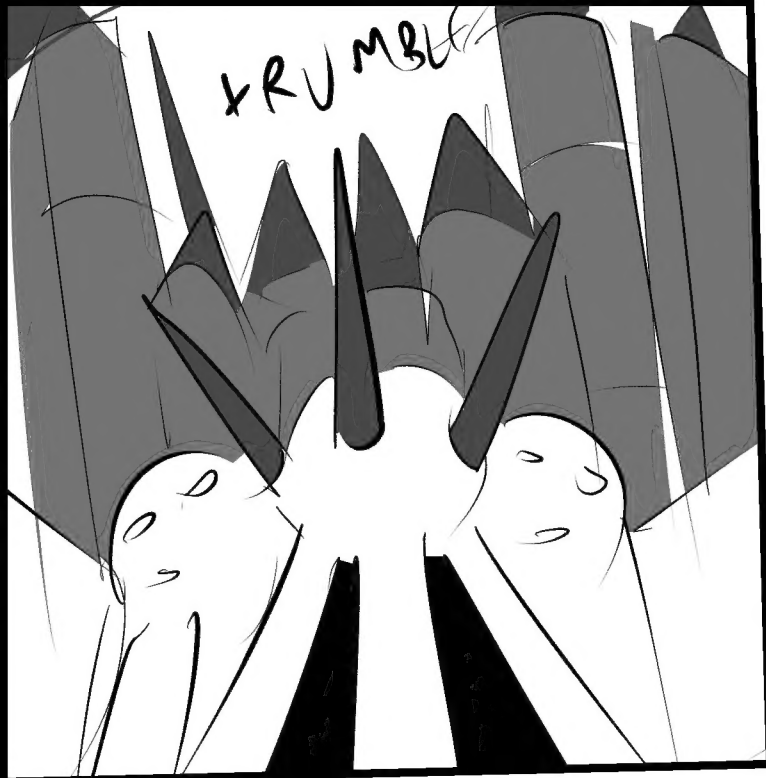

Hey Kid, could you-

I don't give
a shit anymore,
fine just stop
calling me
ever again

Maybe this will be enough of
a scandal to let me step back

HAHA, finally,
you can't hide
from fear!!!

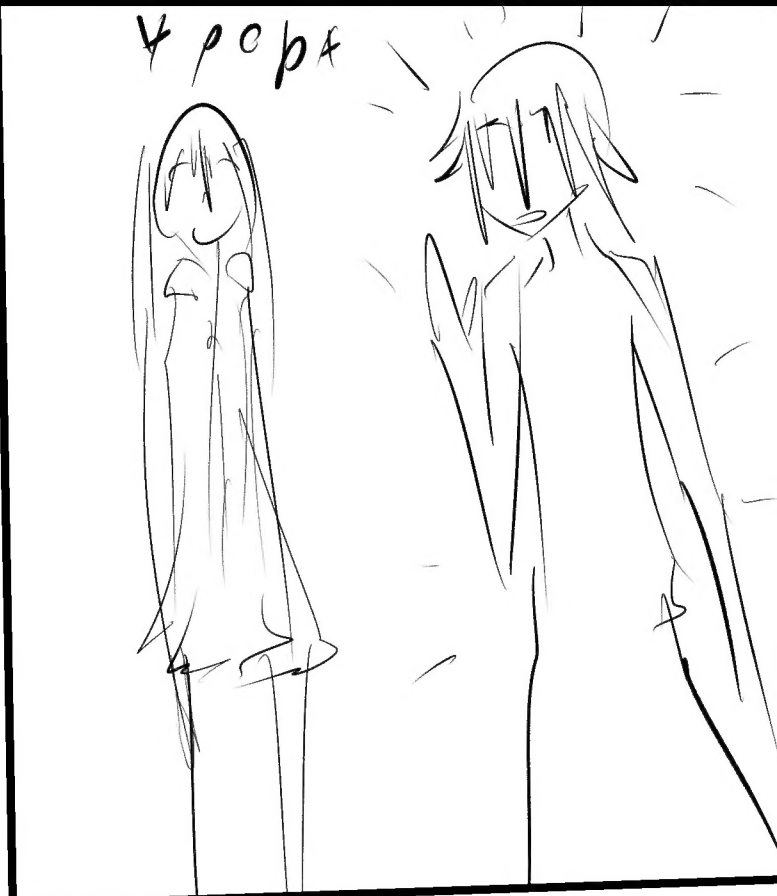

Guess nukes
actually do
bring peace

BOOM!

Yay!

Wanna marry me?

If it's legal, why not?

a.

But hold up, weren't you like a thing with Soul?

Nah, it turned out he is "trans-gay fluid"

Not completely sure what it means, but he explained it as "when I'm next to you, women don't seem attractive anymore"

Oh... I think he was just calling you ugly in a roundabout way

What?! I'm not ugly!

Ofcourse, you have a lot of inner beauty

You mean as a compliment to my outer beauty, right?

If agreeing with you will keep me away from moon-hell-prison: of course honey

Btw, how long was I there? I never learned how to deal with reading clock hands and they didn't have any digital ones up there

Oh, yeah it's been about 10 years minus 4 months and however much days the guy doing this is too lazy to google

hmm

CENSORED

2

So that makes us both like 25 or something

But wait, wouldn't that mean that all the sexual "jokes" and "fanservice" back then was depicting minors?

the time Crona was drawn in the manga or maybe during the anime

CENSORED

Making atleast the author a pedophile?

Nah, it's probably explained in fire force

my baby is on fire

What the fuck is "fire force"?

Guess she doesn't know bout fire force too! XD

No Crona, the tumblr chart said you don't know the f-word!

Wholesome

Filler and
cheap
life ruining
accusations
aside...

Now for the
long awaited
wedding!!!

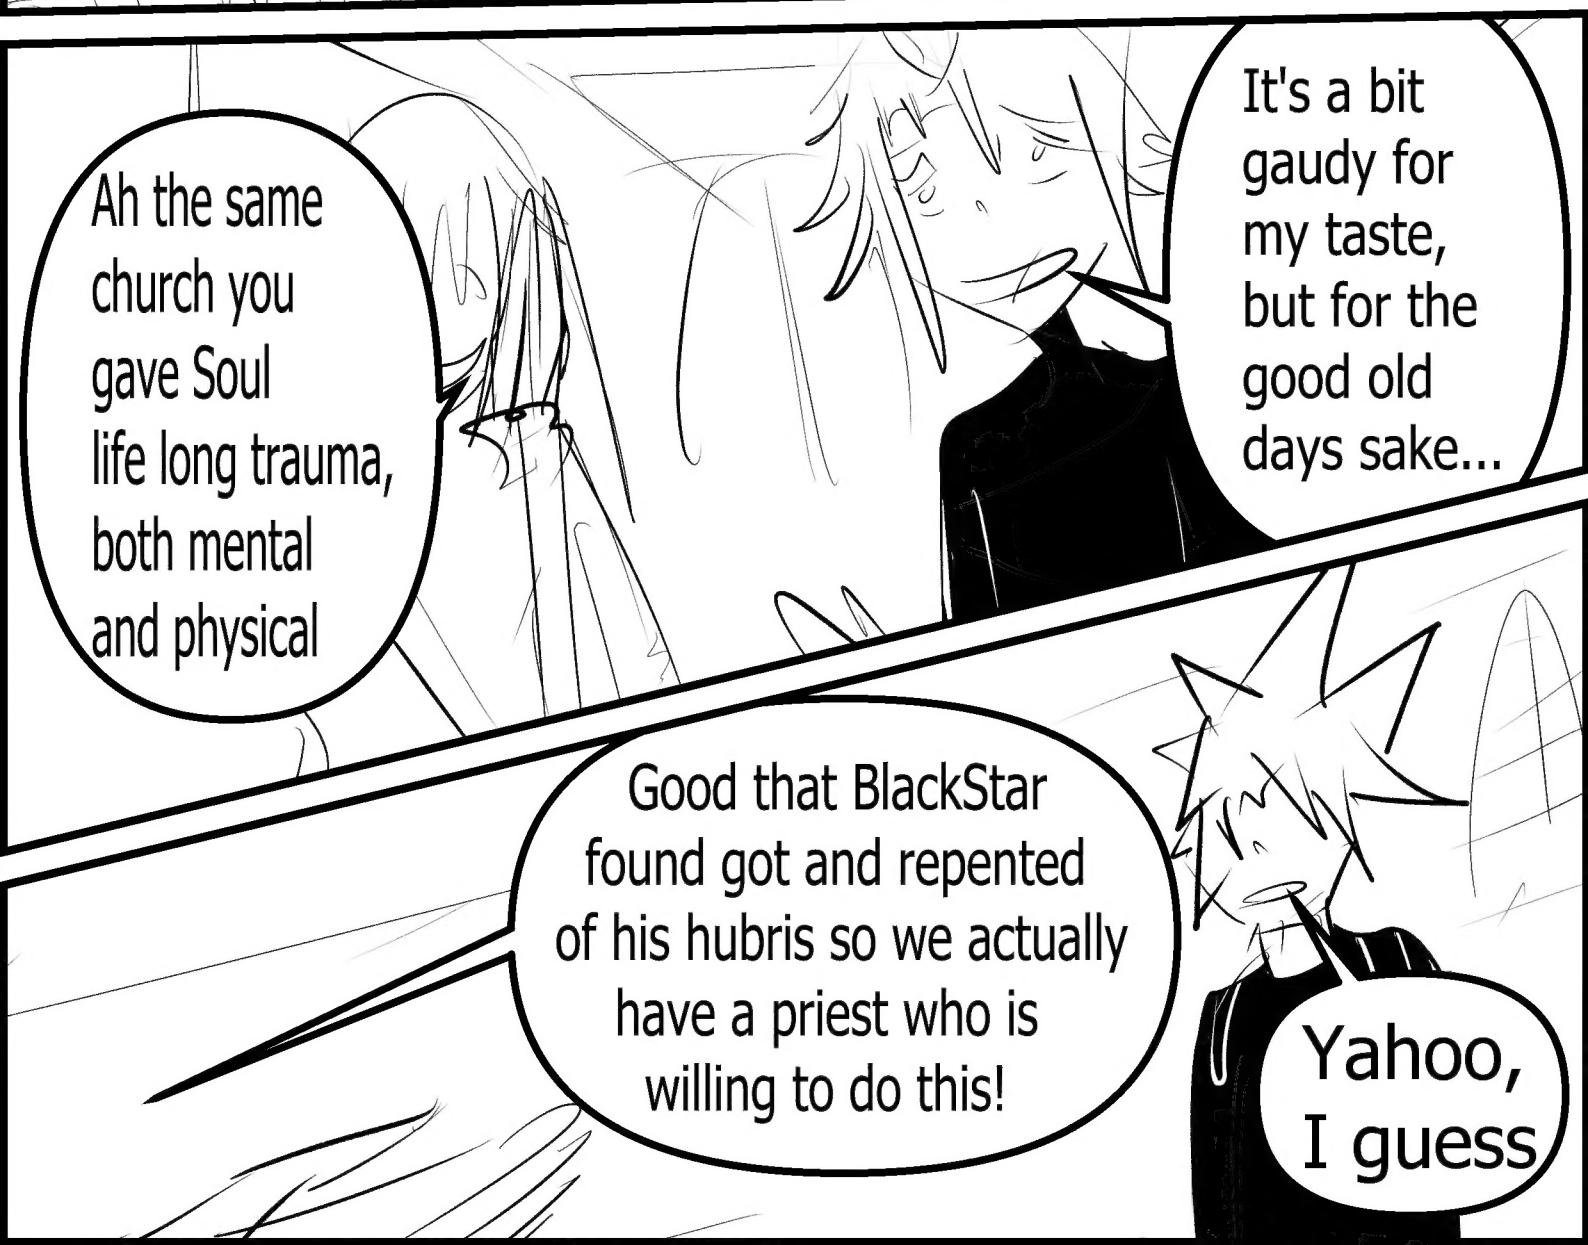

Ah the same
church you
gave Soul
life long trauma,
both mental
and physical

It's a bit
gaudy for
my taste,
but for the
good old
days sake...

Good that BlackStar
found got and repented
of his hubris so we actually
have a priest who is
willing to do this!

Yahoo,
I guess

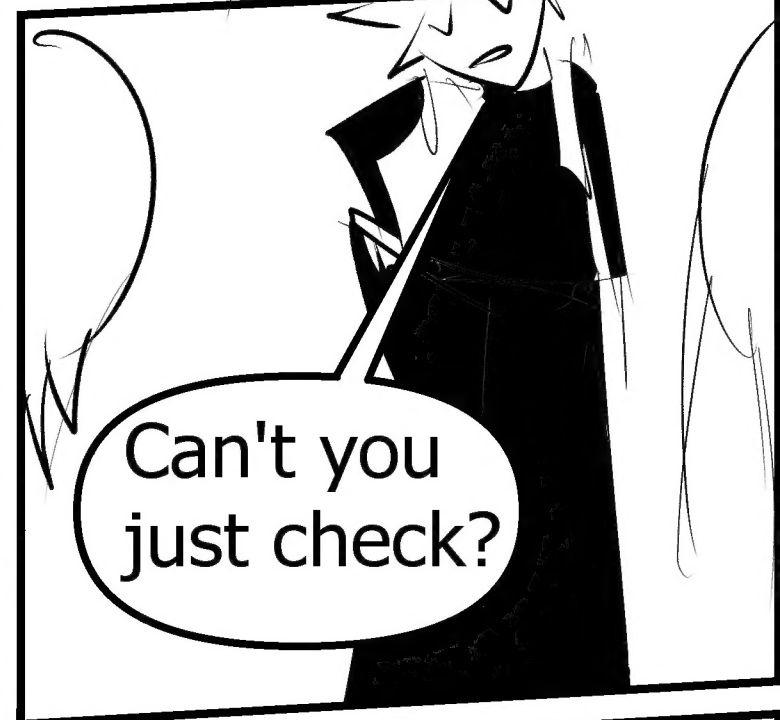

-So I pronounce
you bride and-

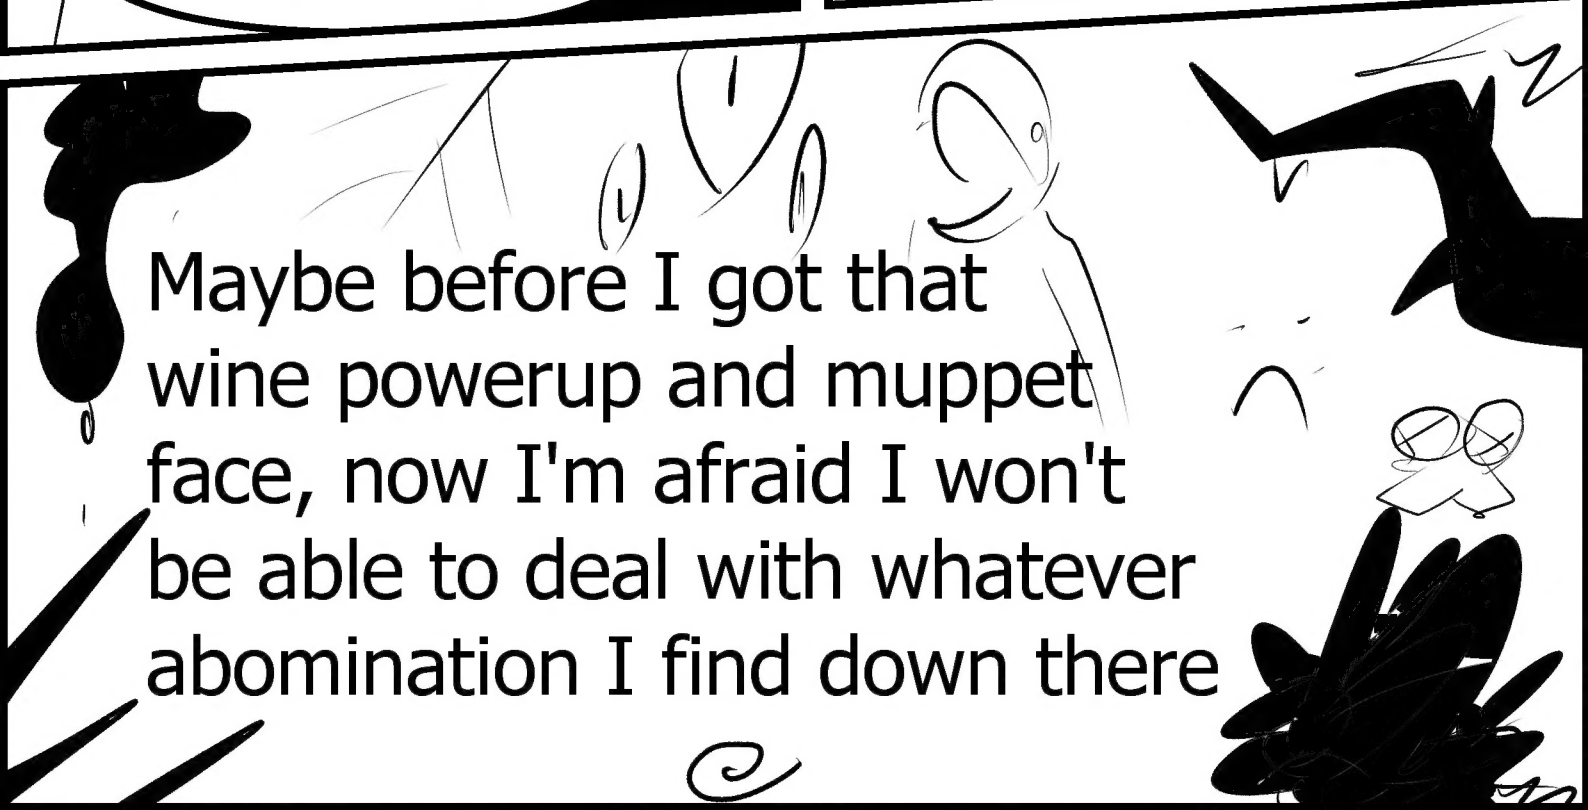

Hey wait,
we never did
figure that
out, right?

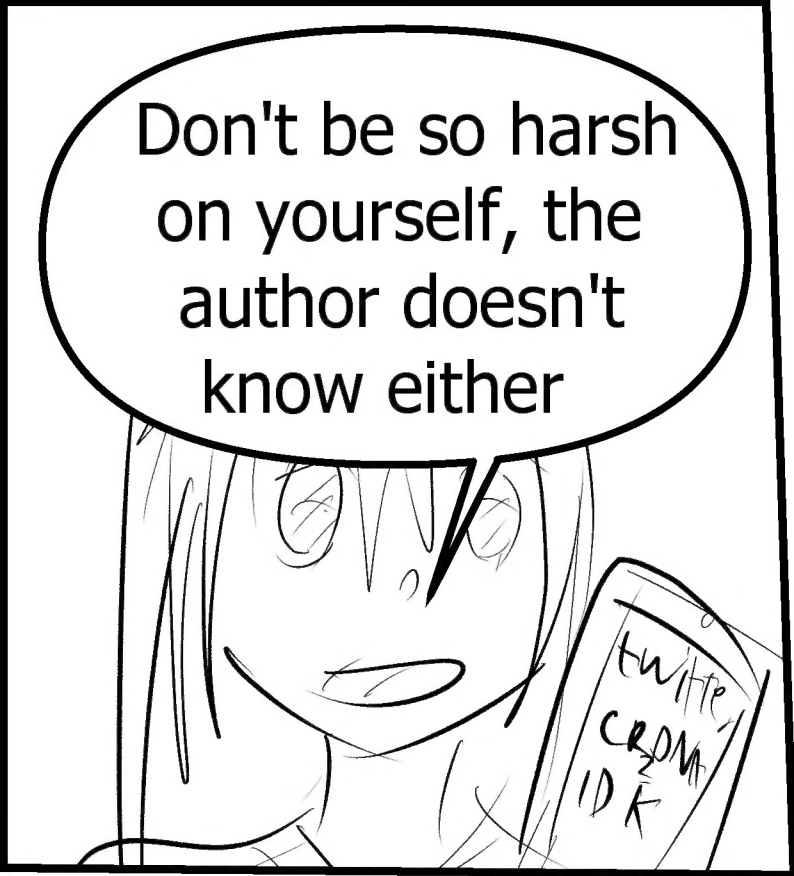

I'll be honest,
I forgot myself

Can't you
just check?

Maybe before I got that
wine powerup and muppet
face, now I'm afraid I won't
be able to deal with whatever
abomination I find down there

Don't be so harsh
on yourself, the
author doesn't
know either

Eh, this union would
be considered an
afront to God either
way, so whatever

Now you can
kiss the bride

CLAP*

*BURST

Yeah, wohoo!

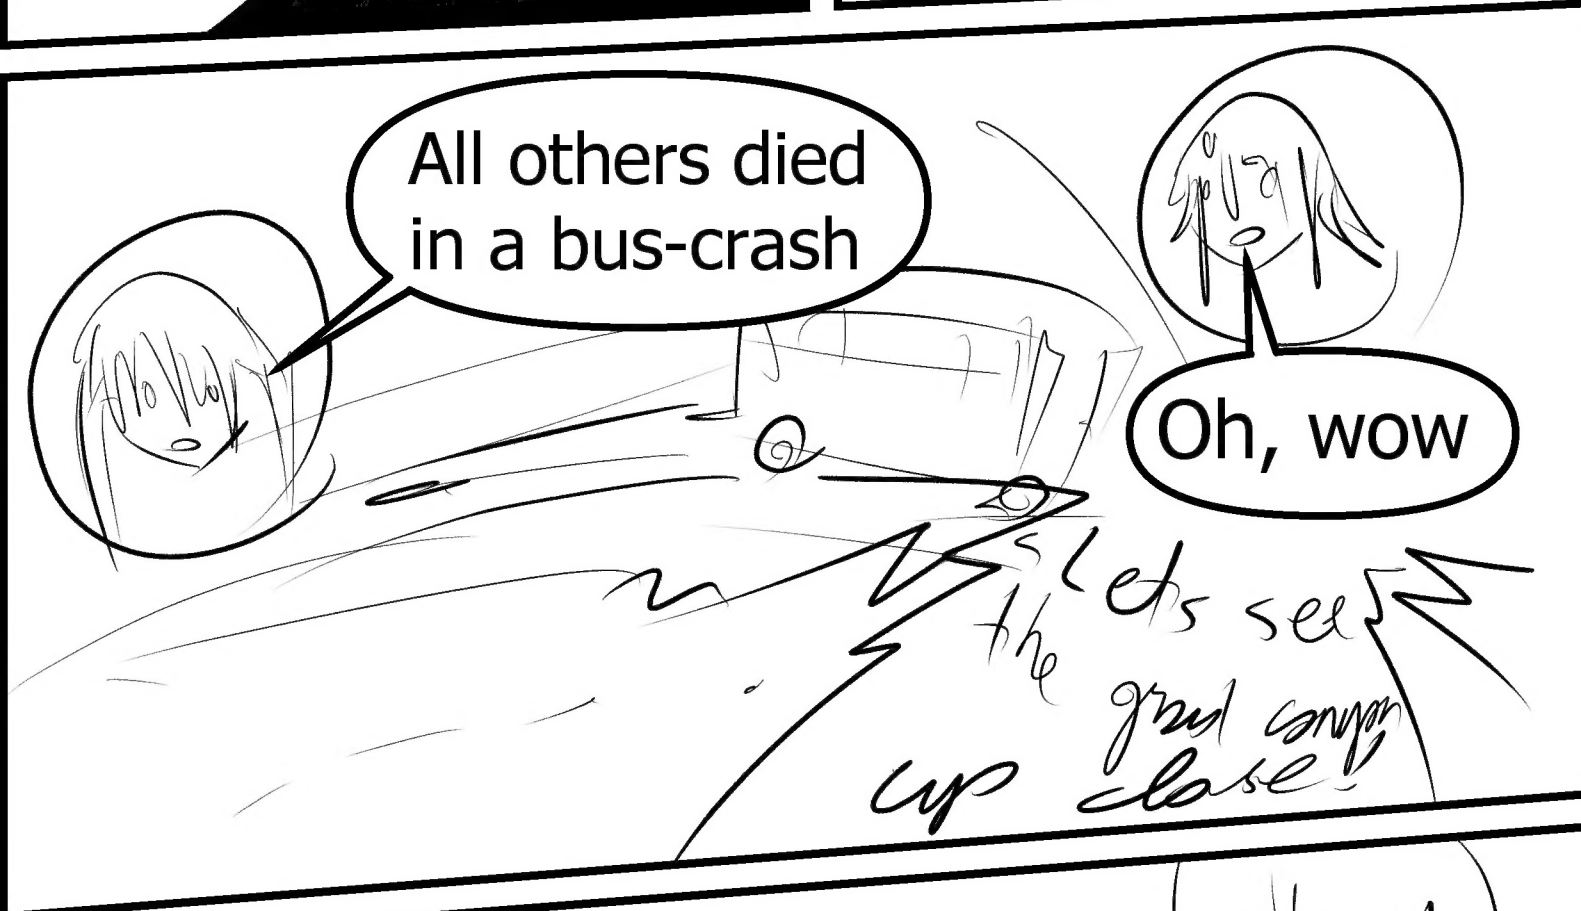

Who's that?

* GLUCK

Oh, our dearest
and closest living
friend - Hiro

All others died
in a bus-crash

Oh, wow

lets see
the
grad corpse
up close!

Also, speaking
about unsatisfiengly
wrapping up 10
year old plot points:
can you free the
people you trapped
in the torture orbs?

Ok

Wow that was easy, as
if you could have reversed
it 10 years earlier...

But what matters is
that you regret it right?

Eh

If you want me,
sure I guess

And so ends Soul Eater

the best manga, that
totally is better than
the anime!!!!

And if you expected
something better
after all the hype
from youtube comments
and the upcoming
April 6th announcement:

Yeah...
Sorry
